IMPORTANT NOTES:

- These notes, directions, and courses form part of the Sailing Instructions for the Royal Cork Yacht Club Keelboat racing fleet.
- The Race Officer may choose any Course Number with suitable amending instructions.
- Course 75 & 83 to be used at Spring High water only.
- Consider for course 80 option to drop the Dutchman if wind is light of an evening or for non-spinnaker classes.
- * Course recommended to minimize crossing of the shipping channel where * is shown with course number. All Course straight line distances are cumulative.
- ** When Grassy Walk Line is in use, please insert Dosco (P) (aka "Corkbeg") as Mark 1 where ** is shown with course number.
- Course recommended for a committee boat start to minimise crossing of the shipping Channell where a blue dot is shown with the course number.

STARTING/FINISHING LINES

COMMITTEE VESSEL:

- The start and finish line shall be formed by a Red & White pole on the Committee Vessel (CV) and a 'laid' club racing mark or adjacent Navigation Buoy, as the outer distance mark (ODM) .
- Race Officer will advise competitors of ODM in use on the club racing VHF channel (see Sailing Instructions) prior to the warning signal.
- An inner distance mark may be used.

GRASSY WALK LINE

(may be indicated by flying ICF 'G' from the Club flagstaff) .

- The starting line shall be formed by a Red & White pole in front of the hut at the Grassy Walk and an ODM.
- Cage Buoy (C1) will be the ODM unless a laid club racing mark is laid, in which case this shall be the ODM.
- Race Officer will draw competitors' attention to alternate ODM on the club racing VHF channel (see Sailing Instructions) prior to the warning signal.
- The finishing line ODM will be Cage Buoy (C1).

Committee Boat starts shall be in the area of Cage Buoy (C1), No.8 or the Dosco (Corkbeg) mark.

If SHORTENED COURSE is signalled at Cage Buoy (C1), then Cage Buoy (C1) shall be left to Starboard.
